Pizza...the way it oughta be.

Pepperoni - It Made us Famous!

If the pepperoni you get from others lies flat, then you are not getting the real thing. Mountain Mike's old-world pepperoni is made using a natural casing, creating a "teacup" look when cooked. Its been our signature pizza for over thirty years. A little crisp, a little spicy, a little pepperoni... Pepperoni Perfection!

We Don't Skimp!

The Everest - 9 Toppings!

Our classic beast of a combination pizza: Pepperoni, Italian sausage, salami, linguica, beef, mushrooms, black olives, bell peppers, and onions.

The McKinley - 7 Toppings!

Our traditional combination pizza: Pepperoni, Italian sausage, mushrooms, black olives, bell peppers, onions and diced tomatoes.

The Veggiemore - 5 Toppings!

If produce is your passion then make way for our vegetarian combination: Mushrooms, black olives, bell peppers, artichoke hearts and fresh tomatoes.

The Pikes Peak - 6 Meats!

Meet our Meat combination: meat, meat and more meat. Italian sausage, our famous pepperoni, ground beef, salami, linguica and ham.

The Snowy Alps - 6 Toppings!

Our wicked white sauce combination. Creamy garlic white sauce piled high with pepperoni, mushrooms, olives, sausage, green onions and diced tomatoes.
